HEADACHE, SLEEPLESSNESS, NERVOUS PROSTRATION.

DR. MILES MEDICAL CO., Elkhart, Ind.

Gentlemen: I take pleasure in informing you of the very beneficial results which have followed the use of Dr. Miles' RESTORATIVE NERVE in the case of myself and wife. For a year was subject to a distressing pain in the back of the neck and upper portion of the spinal cord. I lost flesh, and was greatly troubled with sleeplessness. Your Nerve was highly recommended to me. My case had been so obstinate that I had no confidence in the efficacy of any medicine, and was disposed to give it up. Much to my surprise, I experienced marked benefit; my sleeplessness disappeared; my headache was removed; my spirits and general health greatly improved.

THOUSANDS
ED. I SOON GAINED TWENTY POUNDS. ALL THIS OCCURRED AFTER TAKING DR. MILES AND WELL KNOWN PHYSICIANS HAD FAILED. My wife is taking the Nerve with the best of results.

ARTBUTUS.

Dear little blossom, so dainty and sweet,

Was it in the spring, or in the heat of the heat,

That lured you from winter's embrace?

To linger longer indeed were dying;

Even now he has left the trace,

For his lip has frozen.

Till you are so pale and cold,

With just a tint of red,

And he had drawn so bold.

Your beauty and fragrance is hinting

At the fullness and glory of June;

Still bare are the branches; while robin is singing.

And nature is not yet in tune.

Dear little blossom, I love you, and yet

Better for me could I only forget.

All that your fragrance and beauty bring,

Is it well to ever remember the pain?

To longer try the taste's broke string;

Or list for the heat of the heart of slain?

Memory, we love you, when you are bold.

It is the loving words we bid you repeat,

The glad tones ring, not the toll of the bell.

I wonder, little blossom, if it were best

To come to the south wind's call?

Better to lie frozen on a loving breast,

Than scorched, faded, unloved to fail.
